5. How to request a record, a description of the subjects on which we hold records, and the categories of records held on each subject [Section 51(1)(e)]

5.1 How to request a record

Requests for access to records held by the Viking Fishing Group of Companies must be made on the request forms that are available from the SAHRC website (www.sahrc.org.za) or the Department of Justice and Constitutional Development website (www.doj.gov.za) (under “regulations”). For the convenience of requestors, copies of these forms are included in the version of this Manual available at our offices and on our website (www.vikingfishing.co.za).

Requests for access to records must be made using the prescribed form, to our Information Officer at the address, fax number or electronic mail address provided.

The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record and the requester. The requester should also indicate which company within the group the request for access relates to. The requester should also indicate which form of access is required and indicate if he or she wishes to be informed in any other manner and state the necessary particulars to be so informed.

It is vital that the requester identifies **the right that he or she is seeking to exercise or protect** and **provides an explanation of why the requested record is required for the exercise or protection of that right.**

If a request is made on behalf of another person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of our Information Officer.

If a requestor does not use the standard form, the request may be rejected for lack of procedural compliance, refused (if sufficient information is not provided, or otherwise) or delayed.

Please note that requestors are also required to pay the prescribed fees. The list of prescribed fees in respect of requests, and in respect of access to records (if the request is granted) can be obtained from the SAHRC.

The information officer must notify the requester (other than a personal requester) of the prescribed fee (if any) before further processing the request. The requester may lodge an internal appeal or an application to Court against the tender or payment of the request fee.

The information officer will then make a decision on the request and notify the requester in the required form.

If the request is granted then a further access fee must be paid for the reproduction and the search and preparation, and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.

Kindly note that all requests to the Viking Fishing Group of Companies will be evaluated and considered in accordance with the Act. Publication of this Manual and describing the categories and subject matter of information held by the group does not give rise to any rights to access such information or records, except in terms of the Act.

5.2 Subjects and categories of records held by the Viking Fishing Group of Companies

We maintain records on the following categories and subject matters. **However, please note that recording a category or subject matter in this Manual does not imply that a request for access to such records would be honoured.** All requests for access will be evaluated on a case by case basis in accordance with the provisions of the Act. In particular, there may be applicable grounds of refusal of such a request, as set out in the Act.
